

Geography First: Classroom Lessons, Strategies and Activities

The purpose of this workshop is to assist Tennessee teachers in effectively implementing the history and geography social studies standards. The Tennessee Geographic Alliance is providing geography instruction, lesson plans and activities to assist teachers at all levels in incorporating geography into their social studies courses as mandated by the Tennessee Social Studies standards.

The workshop will consist of individual break-out sessions that focus on five primary areas: World Regional Geography, Tennessee Geography, Geography Resources, Geography and ELA, and Grade Specific Lesson Plans.
